

R.:W.: Sir,

Please distribute copies of the “Texas History Committee Introductory Letter” and “Lodge Artifact and Document Inventory” form to each of the Lodges in your district.

This is intended to assist those Lodges who desire to begin documenting the various artifacts, records and memorabilia, which have historical value presently, or are expected to have such in the future.

Please make it clear to the Lodge Officers and members that the Grand Lodge of Texas has no desire for any of the items that may belong to the various Lodges. These are the property of the Lodges, and will remain so. This is simply a project developed by the Grand Lodge of Texas – Texas History Committee, to advise and assist the constituent Lodges to preserve the documents, artifacts and memorabilia now in their possession.

There are professional archivists and historians, all Texas masons, who are willing to volunteer their time and expertise to assist the Lodges in this project. The Worshipful Master, Secretary, or designated member of the Lodge may contact any member of the Texas History Committee, or call the office at Grand Lodge to be put in contact with a committee member.

Your Texas History Committee appreciates your efforts in working with us to preserve the rich legacy of Texas Masonry.

Kindest Fraternal Regards,

Texas History Committee – Grand Lodge of Texas
