As we enter into our sixth year with “Race for the Children,” we are proud to say that last year’s race was a tremendous success. Since its inception, our race has contributed over \$20,000 to the Texas Scottish Rite Hospital for Children and the Lewisville Education Foundation.

The Texas Scottish Rite Hospital for Children is a world leader in the treatment of pediatric orthopedic conditions, as well as certain related neurological disorders and learning disorders, such as dyslexia. It strives to improve the care of children worldwide through innovative research and teaching programs by training physicians from around the world.

The efforts of the Scottish Rite Hospital for Children to help these kids, without ever charging a single penny, is certainly worthy of our support. For more information about the [TSRHC](http://tsrhc.org) and the [LEF](http://lisdef.org), you may visit their web sites at: [tsrhc.org](http://tsrhc.org). & [lisdef.org](http://lisdef.org).

Texas Scottish Rite Hospital for Children is one of the nation’s leading pediatric centers for the treatment of orthopedic conditions, certain related neurological disorders, and learning disorders, such as dyslexia. There is no charge to patient families for treatment at the hospital, and admission is open to Texas children from birth to 18 years of age.
